

Charitable Design Consultation Program

We have been eager to find ways that Ana Claudia Design can give back to our community and support environmental protection initiatives. We are excited to share the details of our charitable design fee consultation program.

How it works:

- You have already completed our online questionnaire and we have decided to move forward with an introductory design consultation where we meet onsite to review your needs and your space in more detail.
- Prior to the day of your design consultation, select one of our (5) chosen charitable organizations and pay the required charitable consultation fee of \$150.00 directly to the organization.
- Provide Ana Claudia Design with a copy of the receipt from your charitable donation. The receipt can be sent to: info@anaclaudiadesign or provided to Ana Claudia directly at the time of your design consultation.

Please make your \$100.00 charitable donation to one of the following organizations. More details can be found about the initiatives of each of these organizations on their websites.
